Lindsey,

Good afternoon - I just wanted to let you know that I'm checking with staff on this.

Thank you,

Hey Ricky-

I've got another question for you... could you help connect me with the person in your state who would oversee the Real Alternatives program? It's usually funded with partially/or fully TANF dollars. Indiana is looking at bringing the program to our state and wondered what Texas' experience had been. If you need more background info from me let me know. Thanks for any direction you can provide!
